

The Rutland Housing Authority is seeking a part-time SASH Coordinator.

The primary role of the SASH Coordinator is to build trusting relationships with participants, and to develop a thorough knowledge of each participant's strengths and challenges to support healthy aging in place. The responsibilities of the SASH Coordinator fall into three broad categories of interventions including: transitional care, chronic disease self-management and coordinated care interventions. These interventions are provided in a collaborative, person-centered, holistic manner and represent the foundation of the SASH model.

The ideal candidate will have the ability to work independently and to perform as part of a community partnership with professionalism and confidentiality. The position requires outstanding customer service, communication and organizational skills, a positive professional demeanor and attention to detail.

Candidates must possess a Bachelor's Degree in Human Services, Social Work or an equivalent combination of background and experience. Previous experience coordinating services specifically for seniors or persons with disabilities is highly desirable. Knowledge of area resources and programs, including transportation, health services and recreational activities is essential.

The RHA offers a competitive salary and benefits commensurate with experience and a dynamic supportive work environment.

Please submit a letter of interest, resume and salary requirements, in confidence, to:
